FESTIVE PROGRAMME

PARISIAN ELEGANCE IN THE HEART OF PICCADILLY

Brasserie Zédel is a grand and bustling Parisian brasserie with a relaxed and lively atmosphere serving traditional French food. In addition, the building also plays host to ZL Café, a casual pavement-level café, an authentic American Cocktail Bar, Bar Américain, and a live music and cabaret venue, Crazy Coqs.

WELCOME TO THE SHOW

BIENVENUE AU SPECTACLE

JAZZ-INFUSED SUPPERS, COCKTAILS, CABARET AND A TOUCH OF NOSTALGIC GLAMOUR: EXPERIENCE ALL OF THIS AND MORE IN A FESTIVE PROGRAMME INSPIRED BY THE FABLED DAYS (AND HEADY SOIRÉES) OF 1920S PARIS.

Nightly live music in our gilded brasserie pays homage to greats of the golden age, while a host of international musicians and cabaret stars add verve and swing in Crazy Coqs. Special cocktail menus in all our spaces are inspired by the Parisian-American jazz age of the 1920s and 1930s for the festive season...each with their own unique take on the era.

BAR
Américain

BAR AMÉRICAIN

AS TRANSATLANTIC TRAVEL GREW IN POPULARITY DURING THE EARLY 20TH CENTURY, MANY AMERICAN-STYLE BARS BEGAN TO OPEN IN PARIS, SUCH AS 'LE GRAND DUC' IN MONTMARTRE.

These Parisian hangouts became legendary throughout Europe – the kinds of places frequented by the likes of Josephine Baker and Duke Ellington.

These spots were havens of cultural expression and exchange between Parisians and Americans, not to mention becoming the inspiration behind Bar Américain, our pocket of Americana within Parisian Zédel...

Classic, house and conceptual cocktails are served nightly.

GOLDEN AGE OF HOLLYWOOD IN BAR AMÉRICAIN

Paying homage to Hollywood's heyday, our current cocktail menu celebrates film's most glorious decades, from early silent movies to its pinnacle of all-singing, all dancing technicolour. Bar Américain, epitome of art-deco elegance, tips its hat to the great and good, from memorable epics to charismatic stars of the silver screen.

BARTENDER'S PICK

THE BOGART 15.75

Bold & complex

*Tanqueray gin, fino sherry,
pandan & ginger cordial, lemon,
thyme, champagne*

Named for the legendary Humphrey Bogart, this straight-talking serve takes its cue from the actor's representation of no-nonsense Rick in Casablanca.

The 1942 film, set in Rick's Bar in Moroccan Casablanca, has become a classic wartime love story. Our cocktail is inspired by the 'French 75' - the only drink referred to by name in the film.

SOME LIKE IT HOT 16.25

Aromatic & nutty

*Johnnie Walker Black Label,
almond, honey, coconut
& oolong tea soda*

Paying homage to the classic Hollywood film starring Marilyn Monroe, Tony Curtis and Jack Lemmon, our serve is an inventive take on a whiskey highball, an echo of the film's many references to the boons of a good Bourbon. A hint of almond and honey, balanced with the classic spirit packs a sophisticated but playful punch, just like the 1959 comedy.
